From the Principal

Parent Teacher Interviews – I would like to thank all parents for coming in last week to the Parent / Teacher Interviews. The interviews are a very important aspect of our reporting to parents process and I am pleased to report that by the end of this week, we will have had 100% of our families involved in the interviews. Thank you for making the time to participate in these.

Movie Night – Last Friday evening we held the movie night to raise funds for the Chaplaincy Program. Thank you to the 40 or so people who braved the cold, wet conditions and came along for an enjoyable evening. Thanks also to Jeff Mantje for bringing the films and running the projector. Also thanks to Katrina, Sarah and Pauline for the magnificent supper.

Chaplaincy Survey – Each year we are required to ascertain whether the school community continues to support the School Chaplaincy Program. Within the next few weeks, a brief survey will be sent home to get responses about the program. I encourage you to complete the survey when it is distributed.

Science week – Next week is Science Week and each afternoon the children from Prep to grade 6 will be mixed into small groups to work on solving a problem.

Walkathon - Thank you to those families that have been able to return the Walkathon money. So far there have only been 9 families who have returned money. If you still have sponsorship money, can you please return it as soon as possible.

Election - The school will be used as a polling booth for the September 7th election. We intend to have a cake stall at the polling booth. If you would be able to do some cooking and / or help out on the day, please contact Raelene in the office. Also on that day we will be running a BBQ at the Wilmot Market. If anyone could volunteer at the market, please contact Raelene.

Book Week - Book Week begins on the 19th August. This year we will have a dress up as a book character on Thursday 22nd August. We will have a parade at about 11:00 am.

Yours in partnership
