From The Principal

We have had an amazing week of learning and opportunities for the children, our big Harmony Day celebration would not have happened without the amazing work of many parents and we thank them all for their hard work and time. It was wonderful to see the children enjoying the many styles of food.

This week the Gd 5/6 students will be attending their leadership camp with Devonport Primary School. The Gd 3/4 children will have a wonderful learning time with Miss French.

The classes are currently setting up their iPAD and new Laptops to use for many styles of 21st eLearning.

Next week we will have a special event on Wednesday afternoon to celebrate the end of term and the special event of Easter, please come along for the afternoon.

Yours in partnership,
Emma Langton - Acting Principal

Shhhhh..........Fairy Garden

There is a Magic Tree in our school and we are so lucky because fairies live under this very special tree. The Kinder children keep an eye out to make sure the fairies are happy and safe.

PLEASE REMEMBER to only look at the Fairy Garden with your eyes.

KENTISH ARTS FESTIVAL STUDENT WRITING COMPETITION

Our Senior Class have entered the narrative writing competition which is part of the Kentish Arts & Mural Festival. Their stories will be displayed and judged as part of the festival. We wish them all the best and congratulate them on the amazing effort they put into their work.

GALLERY VISIT & EASTER HUNT

We are heading for a walk to see the current art exhibition at the recreation ground on Wednesday the 1st of April.

All children from birth to 4 years old are welcome to join us. We will leave school at 1pm.

Back at school at 2:15pm we will go for a special hunt and also have a special treat.
Senior Class
These are the images the class worked from with Dianne from the gallery last week. The children have completed some great imagery as a spin off activity to this work. Next term we complete Inquiry Learning incorporating eLearning as part of our Local History work.

Does anyone have any ideas of what may be happening in these pictures or recognise anyone from the photos?

HEALTHY BODY
Over the next 4 weeks in PE classes the children will be undergoing THE CAPTAIN’S CHALLENGE. The children will learn basic cricket skills whilst having fun and challenging themselves.
Harmony Day Should Be a Public Holiday

Over the last weeks the Senior Class worked extensively on understanding the topic of diversity and acceptance all strong messages regarding Harmony Day. After our wonderful celebrations on Friday the children completed a collective brainstorm on the topic of Harmony Day and then have independently written an exposition text to persuade the reader/audience to their point of view on the topic.
Knitted Tree

We would like to take this opportunity to thank SPOTLIGHT for kindly donating balls of wool for us to knit into scarves for our Knitted Tree. At this stage we are looking for people to help us out by knitting a bright section of scarf for our tree. The idea is that we will stitch all the small scarves together to make a big scarf for our beautiful Oak Tree that lives at the front of the school. So if you have any acrylic wool or knitting needles at home that you can donate to the school we would love them please. If you have the time to complete a scarf for us we would be very grateful, more information to come on the length needed.

Music Performance

We are in full swing in the music room lately this term! We have been dancing, singing and playing a variety of instruments. Both classes have been preparing for our performance next term. The Wilmot Primary School and Friends Music Performance will be on Friday May 1st at The Wilmot Hall starting at 7pm. We are all looking forward to seeing you there!

Speech Pathology Home Programme Support

Has our speech & language pathologist provided you with a home programme to follow with your child? Are you unsure about how to do it? Is it too hard or too easy? Do you just want to check that you are “getting it right?”

The Speech & Language Team are offering home programme appointments to help you. Appointments are offered at 119, William Street, Devonport during each school holidays. The next home programme clinic will be held on Friday, 17th April. Please feel free to call on 6424 9743 or 64245481 to book an appointment. If you have any questions or concerns about your home programme, why not make an appointment or even just call for some advice?

DISCLAIMER: Parents should note that advertisements for educational services, companies, activities or similar events are published as a ‘community service’. Wilmot Primary School is in no way liable for the quality, supervision or integrity of the provider and strongly suggest that parents make their own enquiries before engaging with the advertised event.
