From the Principal
The weeks of this term are flying past us but there is lots of deep learning going on at Wilmot Primary School. I would like to take this opportunity to congratulate all of our children on their amazing Getting Along skills, this includes lovely manners, kind words and helpful actions towards their friends and adults at school. Well done, you all deserve a pat on the back! We had another lovely session of Launching into Learning (LiL) playgroup this week and we hope to see everyone along after the public holiday break next week.

This Friday we will send home a Primary Progress Report for your child, the purpose of this report is to indicate how your child has settled into the school year with an emphasis on learning and social skills. Please feel free to talk to myself or your child’s teacher if you have any questions.

We have another assembly this Friday at 2:00 pm which will be run by the senior class and held in the music room, we welcome you to come along.

Our school grounds are looking amazing after our Australia Day Clean-up, well done to all of the children.

Don’t forget our Facebook page and thank you to those people who are following us. We are all very excited because our new iPADS have arrived, we are just waiting for them to be set-up.

We’ll also be increasing our connections to Sprent Primary School and to kick this off an activities afternoon & BBQ has been organised for the last day of term with the Sprent children.

Yours in partnership,

Emma R Langton
Acting Principal

CLEAN UP AUSTRALIA DAY

On Friday the Wilmot School kids cleaned up the school and the town because it was Clean Up Australia Day. Some people went in the hedge to look for rubbish. We found glass, bottles, wrappers, plastic, papers and cans. We even found an old hat and some sunglasses! We have Clean Up Australia Day to make our environment clean. We had lots of fun.

By Toby H, Lilla, Taleah and Thomas
THANK YOU
A huge thank you to Michelle, Tony and Sarah for donating a few hours of your time to come in and help us cover some library books. We really appreciate your help!!

SENIOR CLASS LEARNING
We have been working on taking control of our learning in the senior class, a SMART goal is a goal that can be easily followed because it has clear parts to it. This is what we think about our SMART learning goals.

By having a SMART learning goal to work towards I have been able to get over a fear without getting scared of being hurt. Bonney
Having a SMART goal has meant that I can focus on something I am interested in. Duncan
It has made me focus on what I am meant to be doing. Nathan
My SMART learning goal has helped me to focus my efforts on learning my tables in a better way. Alex
My SMART goal has helped me to work on being brave in a safe way. Azaria

"Hinamatsuri the Japanese Doll's Festival" is held on March 3rd. This is a day to pray for young girl's happiness in Japanese culture. Our class is looking at celebrations and commemorations this year from all over the world and this is our first festival that we have learnt about.

GIVE AWAY
We have a huge supply of second hand school uniforms if anyone is interested. Please see Raelene in the office for details.
