Peg Arnold Sports Day

November 27th
Devonport Show Holiday

Issue No. 30: October 14th 2015

From the Principal

It was lovely to see all the children and families this week after a two week holiday. We look forward to an active learning term with many wonderful events.

We invite families to join us in a Family Sharing Session on the 11th of November. Families and children will work together to finalise our Positive Relationships Policy. The session will include healthy snacks and a variety of fun activities for all. We will notify families with more details closer to the date.

Emma Langton  
Principal

BEAUTIFUL BOYS LOOKING FOR A HOME

We are looking for a lovely family to take one or both of our young roosters. The bantams are well behaved boys looking for some girls to live with and look after. Please speak to Nathan if you are interested.
HEALTH & PE NEWS
During the year the students have been working on developing ways to help regulate their own emotions. We have learnt about different emotions and talked about how they are natural and normal. Over this term the Junior Class will learn more about ‘Being the Boss’ of their emotions. These ideas will help the children to regulate their emotions and support others when they are feeling not so great. This week the children started to learn the following song.

BEING THE BOSS OF MY FEELINGS SONG

If you’re happy and you know it clap your hands,
If you’re sad and you know it tell a friend,
If you’re angry and you know it take a walk,
If you’re worried and you know it hug yourself,
If you’re scared and you know it stand up tall,
If you’re proud and you know it say YEAH!

The Junior Class were asked to make a healthy picture using a range of colourful fresh fruit and vegetables, almonds, sultanas and coconut. The children were extremely creative and produced some original edible artworks. Can you see the monster, the boat and the boat marina?

The Senior Class were asked to design their own healthy snacks using ingredients from the kitchen cupboards. The snacks needed to cover most of the healthy food groups and provide the consumer with;
protein, complex carbohydrates, vitamins and minerals. The children completed the task independently and also loved the eating part.

WELCOME TO WILMOT KITCHEN GARDEN

We extend a huge welcome to our two new female chickens. The chooks were kindly donated by Theresa and Hayden, Archie and Harley’s parents. The girls are fitting in nicely. They have been named Frizzle and Frazzle.

SCHOOL PHOTOS

Please return photo envelopes before the end of this week.
Photos are next Monday afternoon from 1:00 pm.
LiL Playgroup Term 3

Over the last few weeks the children have enjoyed playing together with their new friends. We welcome new families to our Early Learning sessions and hope that they continue to love all the wonderful learning experiences available at Wilmot Primary School.

School Hats

All students are required to wear a school hat during term 4. If your child requires a new hat they are available from the office for $8.00 each.

Ralph Thompson Retirement Celebration

Join us for a BBQ to help Ralph celebrate his retirement

November 20th
5:00 pm
Wilmot Primary School

RSVP by November 6th to

PET DAY

We had a highly successful Pet Day on the last day of Term 3. The children and families were so generous with their time and went to amazing lengths to share their wonderful animals with us all.

THANK YOU TO EVERYONE WHO MADE THE DAY SO GREAT
KITCHEN GARDEN UPDATE

Before the holidays we planted many seeds straight into the ground and they are doing well. We hope for more sunshine to get a bumper crop this summer.
